

**Saybrook Point Resort & Marina To Reopen June 17 For Overnight Guests, Indoor Dining**  
*Connecticut shoreline property unveils "Spotless Saybrook Program," new amenities ahead of summer season*

**OLD SAYBROOK, Conn., (June 15, 2020)** – [Saybrook Point Resort & Marina](#) in Old Saybrook, Conn., has announced plans to reopen its overnight accommodations, health club and restaurant (indoor dining) to the public on June 17, 2020, following temporary closures due to the COVID-19 pandemic. In addition to launching its "Spotless Saybrook Program" comprised of industry-leading cleaning protocols, the property has unveiled new amenities for guests to enjoy throughout the summer season.

"The safety of our dedicated team members and valued guests remains our top priority as we reopen our doors," said Stephen Tagliatela, managing partner, Saybrook Point Resort & Marina. "Over the past few months, we have worked diligently to meet and exceed new safety and cleaning standards provided by the State of Connecticut, American Hotel & Lodging Association, Centers for Disease Control and Prevention, and others, and are ready to welcome guests back to enjoy the best-in-class, personalized service that has distinguished our family-owned property for four decades."

### **Spotless Saybrook Program**

Saybrook Point has established the "Spotless Saybrook Program," which incorporates strict safety rules mandated by the State of Connecticut with recommendations from the hotel industry's top associations. Highlights from the program include:

- Employing **electrostatic sprayers** to disinfect public spaces and guest rooms. The technology, which has been adopted by some of the world's largest hotel chains and airlines, achieves a 360-degree, touchless disinfection that wraps around and clings to surfaces.
- Providing **complimentary face masks** to guests who have forgotten to wear a mask.
- Applying **door seals** to cleaned and inspected guest rooms.
- Offering **private dining areas** for family groups.

### **Property Enhancements**

In addition to enhanced safety protocols, Saybrook Point has unveiled a variety of new amenities and updates to the property, including:

- Fresh Salt Porch, a new partially enclosed seating area perfect for soaking in water views year-round
- Upgraded outdoor sound system and new patio heaters
- Renovated Health Club and pool areas
- New summer food and beverage menus

- New artwork, including paintings and bronze statues, by local artists
- Daily live music on the terrace

“During the time we were closed to leisure travelers, we implemented a variety of new protocols and conducted important staff training, but we also took that time to identify ways to enhance our guests’ overall experience and give them more reasons to return,” said Tagliatela. “We’re thrilled to welcome guests back to enjoy these updates and experience some relaxation—from lounging on their private balcony, dining outdoors and enjoying our live music to strolling the Causeway and biking around town.”

Saybrook Point Marina and outdoor dining at Fresh Salt restaurant reopened in recent weeks and will remain open to the public.

To kick off the summer season, Saybrook Point is presenting a special Father’s Day BBQ menu and 4<sup>th</sup> of July celebration complete with live music and lobster specials.
